WWW.ROTHSTEINCHEMICALS.COM

Keeping in mind India's growing industries we bring to you our best quality laboratory chemicals.

Rothstein Chemicals has a very strong emphasis on quality throughout the organization and at all levels of operations.

We have a dedicated Quality Assurance department to audit, as well as develop quality procedures and functions.

Our ultramodern QC labs are equipped with sophisticated and state-of-the-art equipments to facilitate accurate and reproducible impurity profiles up to trace levels.

We have state of the art manufacturing facilities, for producing a large range of chemicals which comprises of basic chemicals for synthesis, high purity analytical reagents, HPLC solvents, Pharmacopoeia chemicals and other rare / research / specialty chemicals.

With our high-quality laboratory chemicals and reagents our customers can be completely relaxed when they work.

Our products are extremely safe and reliable.
